SCRAP ATTACK!

Come and take the opportunity to scrap book away from home for a whole morning! Every month we are dedicating one morning to scrap booking! A wide selection of materials will be provided but you are more than welcome to bring your own if you wish. There will be examples to show but there is no demonstration so the whole morning is yours to scrapbook! All you need is inspiration.

Card Making Mornings

These sessions are in the same format as the SCRAP ATTACK sessions. It's a morning a month for you to come and create your own greetings cards. Some of these sessions will be based on themes (Christmas, Fathers Day etc.) but all you will need is your creativity. A wide selection of materials will be provided but feel free to bring your own along!

Try out the Tools

All day on these selected days, there will be various tools, for example the Epic Six Die Cutting Machine, Eyelet Setters, Crop – O dile, Trimmers, and more for you to try out. There is no need to book for this session, you can just drop in! There is no charge for these days.
